

Overview of H. Pylori Breath Testing

OVERVIEW

- BreathID Collection Kits are utilized for H. Pylori Breath Tests

ORDER AND COLLECTION – PERFORMED IN CLINIC ONLY

- Collection should be completed at the same site that orders the testing.
- If your office cannot perform the collection, please refer the patient to a site that can schedule and perform the appropriate collection.

H. Pylori Breath Testing should be collected at the same clinic site that ordered the testing.
Phlebotomy sites DO NOT perform collections or stock kits.

TESTING

- Performed at the Microbiology Laboratory

SUPPLIES

- BreathID Collection Kits are stocked at the University Reference Laboratory – contact 614-293-9281 for supplies.
