

Scheduled Downtime for Transfusion Services

UPDATE: The previously scheduled Blood Bank/Transfusion Services downtime on Friday, July 24, 2026 has been canceled.

This communication is from:

Nicholas Polzin, Manager – Transfusion Services

On behalf of:

Erin Goodhue, DO, MPH, Division Medical Director Transfusion Services and Apheresis

Jieli Shirley Li, MD, PhD, Director Clinical Pathology Services

Applicable to: OSUWMC, The James and East Hospitals, and James Outpatient Care

Attention Nurse Managers:

- Testing interfaces **will not be down**, and workflow may proceed as usual.

Important workflow change:

- BPAM **will not be down**, and workflow may proceed as usual.

Haemobank departments:

- Haemobanks **will not be down**, and workflow may proceed as usual.

Please share this information with your teams so they are aware that there will **NOT** be a workflow change and operations will proceed as usual. Thank you for your cooperation!
